

Avantopool Kide with Cooling & Heating Unit

Avantopool Kide is an inflatable, compact pool designed for professional and home use. Kide pool can be used almost anywhere and it travels easily in a carry bag.

The external cooling unit is easy to use, and the hoses can be quickly attached with 32 mm quick connectors. The pool fits up to two persons but is most comfortable for single person use.

Kide is made of durable reinforced, skin-friendly PVC and is easy to keep clean. Together with the Avantopool Cooling & Heating unit you can enjoy professional level cold baths or relax in warm water.

The unit cools down and heats up the water about 8°C per hour and maintains your desired water temperature, which can be adjusted between +4°C and +40°C.
