

Avantopool Kuura

Kuura represents the pinnacle of contemporary pool design - crafted for cold and warm water therapy and uncompromising recovery, always ready at your desired temperature.

Compact in size yet generous in comfort, its 180 cm length is designed to accommodate even taller users with ease. The sculpted interior, featuring an ergonomic floor and integrated headrest, invites deep relaxation and effortless recovery.

Finished in luminous Midnight Opal color, Kuura is made from premium-grade pool acrylic, combining lasting quality with a striking presence. An insulated outdoor lid is included, while advanced filtration with continuous UV purification keeps the water clean with minimal effort.
